

## **Blue Sky Community**

The following list of individuals have participated in some or many activities of the teaching lodge as participants of: the planning process; advisory capacity; strategic development; gatherings; administration; funding; report distribution; or, ongoing consultations. To assist you with understanding the various levels of blue sky, we have included the lists of working groups as well.

Further, we have tried to identify the Elders and various community locations but need assistance to ensure accuracy regarding spelling, location and responsibilities i.e. Elder, Healer, Council, etc. We would appreciate any and all help in this matter to provide an accurate list and welcome all input:
